loco give loco

God save our King and royal folk,
 Long may they reign and live
 To make us happy with the love
 That they so freely give.
 Forever may Australian hearts
 To British brothers cling,
 And both unite when called to fight
 For home and flag and king.

Before we leave our sunny isle,
 And this our Nation's song,
 May great men of the future guard
 Her shores from any wrong.
 May brave men ever serve her on
 Their proud majestic way.
 And sing this song to victory
 In the Australian way.

To this our land, Australia,
Let's all stand firm and sing,
Come all unite in harmony,
Let's make our voices ring,
The sunny shores of this great isle
Shall never fall to foe,
So we shall stand with strength and voice
To let our foemen know.

Chorus :

Australia ! Australia !
Her honour shall not fall,
"Our lives we'll give to save her" is
Our motto and our call.
The love that kindles in our might
Will flame for Country and for right:
Australia ! Australia !
God bless our Native land.

God save our King and royal folk,
Long may they reign and live
To make us happy with the love
That they so freely give.
Forever may Australian hearts
To British brothers cling,
And both unite when called to fight
For home and flag and king.

Before we leave our sunny isle,
And this our Nation's song,
May great men of the future guard
Her shores from any wrong,
May brave men ever serve her on
Their proud majestic way,
And sing this song to victory
In the Australian way.
